

## Situational Awareness: Safety is Thinking at the Speed of Life!

*Join us virtually for this 2-hour training!*

**April 13, 2023 | 10:00am-12:00pm**

*Instructed by Jesus M Villahermosa, Jr., Crisis Reality Training Inc.*

**ABOUT THE INSTRUCTOR:** Jesus M. Villahermosa, Jr., was a deputy sheriff for 33 years and served on the S.W.A.T. team for 30 years as the point man on the entry team. Jesus' career in law enforcement and public safety fueled his passion for people and their emotional, mental, and physical security. Since starting his own consulting business in 1986, Jesus has provided tools and training specifically focused on school related and workplace violence to over 900,000 individuals. Crisis Reality Training educates, empowers, and motivates professionals from all walks of life by equipping them with a new set of skills they can utilize in their daily life when crisis strikes. With Jesus' realistic and interactive delivery style, participants will learn to extend their levels of awareness and body language recognition so that they can identify some of the precursors of violence and allow them time to implement a response or evasion plan.

**DESCRIPTION:** With increased civil unrest and potential workplace violence, individuals need to be aware of their surroundings and form plans of action now more than ever. Participants of this training will come away with a better understanding of what drives gut instincts in certain situations and what those instincts are trying to tell people. Participants will also walk an understanding of how to use Jesus' C.L.E.A.R. acronym to be more aware of their surroundings while interacting with those around them and realize when it's time to implement a plan of action and mitigate the risk of an assault.

**AUDIENCE:** Recommended for staff in all work environments and at all levels. Registration Required.

**REGISTRATION CAP:** Up to 200 attendees.

### **VIRTUAL TRAINING EXPECTATIONS:**

- The level of participation and interaction is light to moderate. Questions during the training are welcomed and encouraged.
