

Surviving the Active Lethal Threat Event

This 4-hour workshop will be delivered virtually over two days!

August 2 & 3, 2023 | 10:00am-12:00pm (both days)

Instructed by Jesus M Villahermosa, Jr., Crisis Reality Training Inc.

ABOUT THE INSTRUCTOR: Jesus M. Villahermosa, Jr., was a deputy sheriff for 33 years and served on the S.W.A.T. team for 30 years as the point man on the entry team. Jesus' career in law enforcement and public safety fueled his passion for people and their emotional, mental, and physical security. Since starting his own consulting business in 1986, Jesus has provided tools and training specifically focused on school related and workplace violence to over 900,000 individuals. Crisis Reality Training educates, empowers, and motivates professionals from all walks of life by equipping them with a new set of skills they can utilize in their daily life when crisis strikes. Jesus' realistic and interactive delivery raises awareness for safety and security to a new level and participants will leave his trainings with skills ready to use immediately.

DESCRIPTION: According to the most recent data being kept on mass shootings in America, the United States showed an increase in mass public shootings for 2022! In this session Jesus will cover why lockdowns are a must have plan in our nation's workplaces and cover L.E.A.S.T. training, Lockdown, Evacuation and Survival Tactics, which he developed and now teaches to employees all over the country. L.E.A.S.T. is an empirically based training that teaches employees the 9 proven tactics that may increase your chances for survival should an active shooter event occur in your workplace or anywhere else you might happen to be as many of the recent shootings have occurred during open concerts, festivals, grocery stores, massage parlors, transportation providers and other workplaces across America. The tactics presented under Lockdown will be Duck Cover Assess and Move, Running, Evacuation, the Power of your Voice, Hiding, Playing dead, Crawling and Fighting. This is a must attend training for anyone who wants to increase their survival rate during this type of event!
